TTR250

Members of the TTR250 forum have said that the Yamaha YBR250, Honda CBF250 and CBX250 Twister starter motors are exact replacements and may be available on eBay. Yamaha Majesty YP250 starter motors can be made to fit by swapping the rear mounting case from the old TTR starter over to the Majesty starter.

YAMAHA TTR250 TRAIL and OFFROAD MOTORCYCLE FAQ

I currently ride a 2005 crf150f, and was looking for a bike with a bit more power, taller seat to foot-peg clearance for ease of standing, but still able to handle tight trails at a reasonable price. (I cant afford a crf-x, wr, etc.) I havent had much first hand experience with ttr250s or xr250s ...

Motorcycle Parts for Yamaha TTR250 for sale | eBay

Took domski's advice & have made a new thread for this. It is going to be a long process but if anyone can help it would be good. When I first started I thought Brian had all the metal tank TTRs covered but we seem to have lost a lot of TTR-250 history I am going try restore history as best I can.. If anyone has a model with the exact title as any models that are missing please upload a pic..

The Yamaha TTR250 is a great bike to learn on and get practice with, it's not to powerful and the handling is perfect, i highly recommend this motorbike if your looking to do enduro/trail riding. Great starting bike, i got a 08 TTR250 and i love it.

Yamaha TT-R250 | ProductReview.com.au

Yamaha's website has an interesting if not a little optimistic blurb on the TTR. It says: "The TTR250 is fully at home with some expression of aggression. But oddly enough, the very character traits that make a TTR250 a formidable single-track warrior for advanced riders make it user-friendly for riders right down to novice ranking."
