OEM Jeep Grand Cherokee Parts & Accessories | Mopar Online ...

The Jeep Grand Cherokee is one of the older midsize SUV nameplates that's still on the market today. Despite its age, it remains a contender in its segment thanks to its superior off-road performance and improved dependability. Models from older generations are also able to maintain their resale value fairly well, outperforming rivals like the Ford Explorer.

I just purchased a 2008 Grand Cherokee 2 weeks ago. On day 3, I stopped for gas and the radio w/ NAV stopped working. There was no sound from AM, FM, SAT, CD, or NAV. Yet I could apparently change stations. Several hours later, after the car sat for awhile, it worked again. I had the dealer check it and they found a TB for it.

Horn Wiring | Car horn, Horns, Wiring diagram

Although the product itself was just fine and well built, I was very disappointed in the installation instructions. The diagram very faint and hard to read, but more importantly it described how to install on the Jeep Grand Cherokee and a couple of other models and was confusing on which steps applied just to the Grand Cherokee.
