Doing emotions history (eBook, 2014) [WorldCat.org]

The History of Emotions is organized around the debate between social constructivist and universalist theories of emotion that has shaped most emotions research in a variety of disciplines for more than a hundred years: social constructivists believe that emotions are largely learned and subject to historical change, while universalists insist on the timelessness and pan-culturalism of emotions. In historicizing and problematizing this binary, Jan Plamper opens emotions research beyond ...

The History of Emotions: An Introduction (Emotions in ...

According to Martha Nussbaum, infancy and childhood emotions influence are current emotions. Our source of comfort, guilt and desire have a root and history that we can even trace back to infancy and childhood. Our adult emotion cannot be fully understood without understanding emotions from infancy and childhood.
