What a delight, to begin the year with one of my most anticipated reads of 2019, by one of my favorite authors of all. Every Amy Harmon book leaves me in awe - completely astonished by the gifts she was endowed with, the feelings she's able to put into language my brain does not possess.

What the Wind Knows by Amy Harmon - Goodreads

Amy Harmon is fast becoming one of my favorite authors. Each of her books that I've read has been incredibly emotional and touching. 'From Sand and Ash' is a gripping account of true love in WWII-era Italy. This story held my attention from start to finish. I fell in love with the characters and the visually rich setting.

From Sand and Ash by Amy Harmon - Goodreads

The autism rights movement, also known as the autistic culture movement or the neurodiversity movement, is a social movement within the context of disability rights that emphasizes a neurodiversity paradigm, viewing the autism spectrum as a result of natural variations in the human brain rather than a "disease" to be cured. The movement advocates for several goals, including greater acceptance ...
