More Than Just Sex Because

Millions of women experience pain before, during, or after sexual intercourse—a condition called dyspareunia. Many suffer in silence and don't seek the help they need, or they have trouble finding a clinician who can diagnose and treat the causes of their pain. That is unfortunate, because treatments are available for many of the problems that underlie this vexing condition.

When sex gives more pain than pleasure - Harvard Health

Because most of us consciously experience ourselves as good, moral, and decent human beings, the realization that we hold a biased worldview is very disturbing; thus we prefer to deny, diminish ...
