### My Bmw Says Service Engine

The "Service Engine Soon" light in your BMW is similar to a "Check Engine" light in other cars. Your car has a computer which runs diagnostic tests while your car is running. If something comes back faulty or negative, the light comes on.

### The Meaning of the "Please Service Engine Soon" Light on a BMW

If your BMW check engine light (or service engine soon light) stays on it means that the Onboard Diagnostic System (also known as Digital Motor Electronics DME) has detected a problem with the emission system, engine, or transmission. BMW check engine light may come on due to something as simple as a loose gas cap but it can also be an indication of an expensive engine or transmission problem.
