It's amazing to think of how far the brand -- which is the name of Sears' appliance line -- has come: the company's first appliance, a washer, didn't even appear in Sears' catalog when it was introduced in the 1920s. Today, nearly a third of American homes has at least one Kenmore appliance purchased from a Sears store.

### Kenmore / Sears Parts - AppliancePartsPros.com

The brand's dryers continue to be a home staple because, when it comes to introducing new model designs, Sears has clearly operated under the principle of "If it ain't broke, don't fix it." In other words, Kenmore dryers are easy to use and dependable. Unfortunately, though, any machine will break eventually.
