excesses of our eating habits, Miller finds the silver lining of absurdity within every black cloud. Ultimately, though, Spoiled Rotten America is an insightful, and surprisingly heartfelt, plea for us to notice what's best and worst about ourselves. "The American pendulum only swings to extremes," he says.

Rotten America

Americans are so privileged that we are spoiled. We don't know real hardship--we haven't had war on our grounds in our lifetime, we aren't being persecuted, and we certainly aren't a poor country. You don't know what it's like to live in a country where you, your wife, or your sister, cannot drive to the grocery store to pick up ingredients for
