The Stairs are hidden within the Silver Lake Neighborhood. Because these staircases are steep, narrow, and located within residential neighborhoods, they are often hidden from view. However, once you do locate them, they are available for public use, and many of them have been painted with bright colors and fun designs, adding an extra element of fun.

Stairs have a common language. Treads, which is the thing that you walk on. Riser, which is the vertical element that separates the two treads. A lot of stairs have nosings that create a kind of edge. And then, the connected piece is a stringer. Those pieces, in different forms, make up all stairs.
