## **Chemist: a Guide and Resource ...**

Write Like a Chemist. The necessity of technical writing often first becomes pronounced during a chemist's graduate studies. Beyond writing of manuscripts and a thesis, many graduate programs require students to write original research proposals in order to cultivate skills associated with proposing new

# Where To Download Write Like A Chemist By Marin Robinson

ideas. This requirement is particularly helpful for those students who go on to be academic faculty because writing grants and proposing new research is a crucial part of running a laboratory.
